Declaration

I, YOUR NAME, declare that this thesis and the work presented within are my own, except where otherwise acknowledged. This thesis has been completed during the course of my degree and has not been submitted for any other degree or professional qualification. Any assistance or contributions received during the preparation of this thesis, as well as all sources used, have been properly acknowledged. Ethics approval for this study was granted by DETAILS HERE, and the research was conducted in compliance with the principles outlined in the Declaration of Helsinki. I give consent for this thesis to be made available for loan, photocopying, and digital distribution, in compliance with the Copyright Act 1968, and confirm that it does not infringe on any intellectual property rights, including copyright, trademark, or patents.

Results: Text

Conclusion: Text

1 Introduction

1.1 Background

This is an example of acronym usage.

On first use, the acronym is expanded in full, e.g. “The University of Western Australia (UWA) is in Perth.”

On subsequent use, only the short form appears, e.g. “I study at UWA.”

1.2 Aims
